Columbia Park Entrance Makeover

Columbia Park will begin working on a new entrance to the community from Columbia Road beginning in April 2023.

Traffic will be temporarily routed behind the plaza and down Elm Drive during this process. Signs will be present to direct traffic accordingly.

We ask that all residents proceed with caution as Elm is not designed for normal traffic and traffic speeds. If possible, we are asking residents to use the rear exit during this time to take some of the traffic away from Elm. No gate key is needed to exit – just pull up to the gate and it will open. This is anticipated to take 8 to 10 weeks. Thank you in advance for your cooperation.

More information about the upgraded front entrance will follow.

We want to thank all those who participated in the Valentine’s Day Event!

We look forward to having more events in the future.
