Columbia Park Entrance Makeover

Columbia Park has begun working on a new entrance to the community from Columbia Road.

The week of nice weather we had after Easter helped get the paving done quicker than expected. This allowed the reopening of the existing entrance to be sooner than planned. Work will continue on the new gates that are going to be installed for the next few weeks. The right lane will be for residents only and the center lane for everyone else.

We will be meeting soon with the Gate providers to learn the operating details and will pass those on to our residents as soon as we can. Please be patient as we go through this process. We would like to make this as smooth a transition as possible for our residents and their guests.

Thank you in advance for your cooperation.

PATIO SALE COMING SOON!
