COLUMBIA PARK ENTRANCE MAKEOVER

Thank you for your patience as we upgraded the Columbia Road entrance. Installation is complete! We have distributed most of the initial window stickers to activate the gate for residents. If you are one of the 33 who have not received one, please reach out to the gatehouse. We should have additional passes available soon for any resident with a second vehicle.

The Columbia Park staff will begin training on the gate system during the week of November 6th. When we’re close to putting the gates into operation, we will train our residents and provide information on how to operate the gates and how your guests can enter the community.

Once the gates are up and running, our wonderful gatehouse attendants will be present 24/7 to ensure a smooth transition. More information will be provided when we get closer to that stage in the process.

NEW GATE ENTRY STICKERS

If you replace your current vehicle, please be sure to remove the gate sticker that was provided to you as these are quite costly to have produced. If you have trouble removing the sticker, please come by the office. The team is happy to assist!

THE POST OFFICE ON WHEELS

The Post Office on Wheels Program will be visiting our community on **Thursday, November 16th from 9:50 AM to 10:10 AM** in the parking lot at the Social Hall.

Purchase stamps, money orders and packaging supplies. Mail letters and packages. First Class, Priority, Express Certified, Insured, Registered, and Return Receipts.

This information was provided by the Post Office on Wheels.

PET POLICY UPDATES

The Community Guidelines are in the process of being updated, and a few changes were made to our policies regarding pets. First, dogs can now be walked anywhere in the community. Second, there is no longer a weight or size limit. Please remember to be a good neighbor by cleaning up after your dog wherever they may go!

DOG OF THE MONTH

Think you have the cutest pooch on the block? We would love to feature your pup in the **Dog of the Month program**! Each month, you can submit a furry member of your family to compete against their neighbors to see who has the top dog. Go to our website ColumbiaParkOhio.com to enter.

Win Dog of the Month and you will receive:

- **\$50 Rent Credit**
- **Gift Bark-sket**

This month's winner is One, who lives on Peach Street. "Pope" One loves to sit in the window and watch his owner work outside.

WINTER PREPARATION

Please remember to check your heat tape! Heat tape prevents pipes from freezing and will save you a lot of time and aggravation when the temperatures drop.

Residents can now install Visqueen Windbreaks. These windbreaks can remain in place from November 1st until April 15th. The same design that has been used in the past is the only one that has been approved. Please *do not* use translucent plastic or tarps. Make sure to start preparing now so your homes are winter ready!

Be sure to inspect your hot water tank, check the furnace flue for bird's nests and remove them before turning on the furnace for the season, caulk around windows and doors, reverse ceiling fans to push the warm air down, and check skirting to make sure that nothing is loose or out of place.

SAVE THE DATE: PRESENTATIONS

You're invited to two presentations by Marwa Malass and Rana Hartak PharmD Candidates from MCPHS University Boston, MA on Osteoporosis and Stroke on November 16th at 6PM in the Social Hall!

They need at least ten people for their presentations to count towards their degrees. Please plan to attend, learn something different and show our support for students furthering their education!

Thank you, John Kullander
